Prunus cerasifera 'Thundercloud' Zones 4-9 Abundant, light pink to white flowers against dark purple-coppery leaves. Sometimes has small fruits suitable for jam/jelly. Versatile ornamental, rounded shape good for lawns, patios, or planted areas. Grows moderately to 20' tall x 20'. (5/8" caliper bareroot tree) most tolerant of diverse soils of all the flowering ornamentals we offer. Purple-leafed flowering plums are also very useful for their foliage during the summer. Generally, quite adaptable, a good choice in a medium-sized tree. Use for lawn, garden specimens, patio tree, containers or tubs.
