## Lily Turf *Liriope Muscari* 05-21

<u>Hardiness</u>	<u>Exposure</u>	<u>Soil</u>	<u>Water</u>	<u>Flowers</u>	<u>Height</u>
Zones 2b-10, 14-24, H1, H2	Some shade in hottest climates	Plant in well drained soil	Regular watering	Profuse dark violet blooms in rather dense, 6-8 inch spikelike clusters	1-1 ½ feet tall

*This plant is evergreen with neat, low, grassy foliage, and blooms throughout autumn, producing prolific crops of flowers shaped like elongated grape hyacinths, with similar blue coloring. It can be left undisturbed for many years to form low-maintenance ground cover in beds of its own, or in light shade beneath trees or shrubs in a border it is tolerant of dry conditions. Alternatively, grow in clumps in a flower border, and divide occasionally to keep the plants down to an acceptable*
