Zones 1-10, 14-24,	Full sun	Mildly acidic soil	Little to moderate watering	Dark red blossoms	Spreads to 2 feet

HARDY PERENNIAL GROUND COVERS! Colorful ground cover for hot, dry, sunny areas. Star-shaped flowers of wine-red form a carpet of color from late June until August. The rich green foliage becomes bronze in the fall. Semi-evergreen, they retain their foliage almost all year.

Select these outstanding perennials to help you solve your landscaping problems. All are easy to grow in just about any location. Yes, even dry, sun-baked banks or shady, moist spots that need color. Once established, these low-care, hardy perennials will provide years of enjoyment and beauty. Contains 3 plants.
